Biden's Forged Signatures. Proof of the puppetry.

Researchers are claiming Biden's signature on his letter dropping out of the race is forged. Of course it is, but it is even worse than they are admitting, since all of them are forged.

Anyone can see that the new signature doesn't match the older ones. The B is just the most obvious mismatch, since Biden never made a B like that in his life, not even close. The old B was made with one stroke starting at the bottom. The new B is two strokes starting at the top. The R is also completely different, there is no Jr. at the end, and Biden doesn't underline his signature. He doesn't make his "n" like an "s". He isn't Joe Bides. This is so bad the only conclusion is that they want you to know he didn't sign it. I could personally forge his signature better than that, and could have forged it better than that when I was 12.

But it is worse than that, as I just said. Why? Because all the other signatures match each other exactly. It looks like they were stamped or copied, since no one signs his name exactly the same way each time. These are all carbon copies. Plus, I knew none of these were real even before noticing that. How? Because 81-year-old people with dementia, falling off bicycles and down stairs, don't have quick fluid handwriting like that. That first signature is smooth and fast, with no sign of age or tremor on it. It was written by a young person.

All this was just more proof Biden was a puppet all along, as if we needed more proof of it. But it isn't just Biden. All Presidents from the beginning have been puppets of the trillionaires, including Trump.

More proof of puppetry

[Apologies for polluting the Tap with the State propaganda channel]

Harris didn't stand as the Dems Presidential candidate in the Primary elections did she, that was fake Joe. So how can she be chosen BEFORE the Dems Convention next month? How does that make any sense?

No sane person would vote for her either. She totally bombed in the 2020 Primaries because she's a fake politician. She's a stupid, corrupt cackling ex prostitute with zero credibility. And this is widely known too!

So she's obviously been selected to lose to the Donald in November. Who is a puppet too of course, as Mathis says above: "All Presidents from the beginning have been puppets of the trillionaires, including Trump."

We see vast changes are occurring in every aspect of life exactly at the same time across the entire planet. Ask yourself why, and why at this time when vast electromagnetic Earth changes are timed out through October 2024 as the four gas giants form a square in the outer solar system that was last seen in 79 A.D., that our world is radically changing.

In addition to the three larger pyramids, there were in total also eight smaller pyramids on the Giza plateau in Ancient Egypt. To many, it is clear that the three three larger pyramids refer to Orion's Belt. These three pyramids were built below on the surface of our home planet, just as these three stars are above in the sky ("As Above, So Below"). More info...
